Khan, Uttara, Dhaka-1230

## EDUCATION

### B.Sc. in Computer Science and Engineering (CSE)

North South University

Year: 2020 – 2024

CGPA: 3.04

### Higher Secondary School Certificate (HSC)

Jatir Janak Bangabandhu Sheikh Mujibur  
Rahman Govt. College

Year: 2017 – 2018

GPA: 3.92

### Secondary School Certificate (SSC)

Gulshan Model School and College

Year: 2015 – 2016

GPA: 5.0

## SKILLS

### Programming & Development

- Frontend Development: HTML, CSS, JavaScript (ES6+), React.js, jQuery
- Backend Development: PHP, Node.js, Express.js
- Database Management: MySQL, MongoDB

### Web Technologies

- AJAX, RESTful APIs.
- Stripe for payment processing.

### Version Control & Deployment

- Git and GitHub.
- AWS

### Caching & Performance

- Experience with Redis for caching.

### Software Skills

- Strong in problem-solving, team collaboration, and time management.

## ABOUT ME

A Computer Science graduate passionate about web development, with expertise in frontend and backend technologies, database management, and machine learning. Proven experience in building scalable and user-friendly applications. A team player with strong problem-solving skills and a commitment to continuous learning.

## PROJECTS

### ● Skill Connect – Online Job Portal

**Tech Stack:** HTML5, CSS (Bootstrap), JavaScript (jQuery, AJAX), PHP, MySQL, Redis, Stripe, AWS

- Developed a full-stack job portal with user dashboards for job seekers and employers.
- Implemented real-time job search with AJAX and lazy loading.
- Integrated GitHub OAuth for authentication and Stripe for payment processing.
- Optimized performance with Redis caching for job statistics and most-viewed jobs.
- Check out the [Live Demo](#)

### ● AccessoSync – Ecommerce Web Application

**Tech Stack:** HTML5, CSS (Bootstrap), MongoDB, Express.js, React.js, Node.js)

- Created a scalable ecommerce application with user authentication and role-based access.
- Implemented product browsing, filtering, and real-time cart updates.
- Check out the [Live Demo](#)

## WORKING ON NOW

### School Website (Modhubag Primary School)

- Built a dynamic and responsive school website to manage schedules and student records.
- Improved database management for student and teacher records using PHP and MySQL.
